Sir:

The undersigned, Michael R. Hull, Attorney Reg. No. 35,902, respectfully submits that I am authorized to act on behalf of the assignee of the above-referenced patent application, Motorola, Inc., a corporation of the state of Delaware, having its principle office in Schaumburg, Illinois. Motorola, Inc. is the assignee of the above-referenced patent application, an assignment executed by inventors William S. Pierce and Daniel Francis Tell is in the process of being recorded in the U.S. Patent and Trademark Office, a copy of which is attached to the accompanying statement of facts in support of filing on behalf of inventor Vessal who can not be found. By virtue of

29250-1004-001

Motorola's proprietary interest, and by virtue of my authorization to sign on behalf of Motorola (I am listed as one of the registered attorneys authorized to act on behalf on Motorola under customer number 29978), I signed this declaration on behalf of, and as agent for Kaveh Vessal, whose current whereabouts and residence are unknown, but whose last known address is 1665 Lincoln Meadows #1021, Schaumburg, Illinois, 60173, USA. Inventor Vessal's whereabouts are unknown and I and representatives of Motorola have not been able to locate him.

Upon information and belief, I aver those facts that inventor Vessal is required to state under 37 C.F.R. § 1.64(b). I am a citizen of the United States, my residence is 2229 North Orchard, Unit G, Chicago, Illinois 60614, USA and my mailing address is Marshall, Gerstein & Borun, 6300 Sears Tower, 233 S. Wacker Drive, Chicago, Illinois 60606-6357.

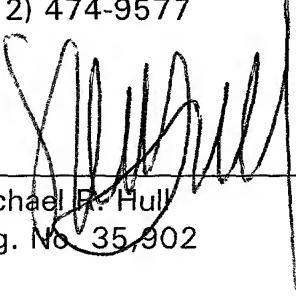

Accompanying this declaration is a statement of facts and support of filing on behalf of non-signing inventor, Vessal, who cannot be found. These documents are filed to establish the proof of pertinent facts, and show that such action is necessary to preserve the rights of Motorola, Inc. and to prevent irreparable damage. The requisite petition fee of \$130.00 (37 C.F.R. § 1.17(i)) is submitted herewith.

Respectfully submitted,

MARSHALL, GERSTEIN & BORUN
